

Grundfarbe Rot

22 x 54 mm

**nicht
steril**

Datum:
Name:

auch in anderen Größen und Ausführungen erhältlich

The image shows a red label template. The top part is a red rectangle with the text 'nicht steril' in large, bold, black letters. Below this, there are two lines for 'Datum:' and 'Name:'. The rest of the label is a light pinkish-red color. A dashed vertical line is on the right side, and a solid horizontal line is at the bottom. The label is shown in a perspective view, with a second identical label behind it to show its depth.

Grundfarbe Orange od. Gelb

22 x 54 mm

**muss
desinfiziert
werden**

Datum:
Name:

auch in anderen Größen und Ausführungen erhältlich

The image shows a yellow/orange label template. The top part is a yellow/orange rectangle with the text 'muss desinfiziert werden' in large, bold, black letters. 'muss' is underlined. Below this, there are two lines for 'Datum:' and 'Name:'. The rest of the label is a lighter yellow color. A dashed vertical line is on the right side, and a solid horizontal line is at the bottom. The label is shown in a perspective view, with a second identical label behind it to show its depth.

Grundfarbe Weiß

22 x 54 mm

desinfiziert

Datum:
Name:

auch in anderen Ausführungen erhältlich

The image shows a white label template. The top part is a white rectangle with the text 'desinfiziert' in large, bold, black letters. Below this, there are two lines for 'Datum:' and 'Name:'. The rest of the label is white. A dashed vertical line is on the right side, and a solid horizontal line is at the bottom. The label is shown in a perspective view, with a second identical label behind it to show its depth.
